No. 3450 F/56-1, dated 7-9-1956.

Sir,

Sub: ELECTRICITY--Pykara Electricity System--South Kanara Dt., Mangalore, Extension of H.T. supply to M/s. Canara Workshops Ltd., Mangalore--application for permit-forwarded for sanction.

I forward herewith for favour of sanction of Government an application for permit of essentiality in duplicate for extention of H.T. supply to M/s. Canara Workshops Ltd., Mangalore, South Kanara District, Pykara System for a maximum demand of 500 KW as per permit application.

2. The estimated cost of the extension is within Superintending Engineer's powers of sanction. Supply is for automobile Industry and hence satisfies conditions of essentiality. The power can be met from the available tranformer capacity of 3000 KVA at Mangalore.

3. I recommend that the supply may be sanctioned subject to the following conditions:--

i) Supply is liable to be suitably restricted, staggered of cut off altogether as the case may be, if the power position or any other emergency warrants such a course of action.

ii) Supply will be cut off if it is utilised for purposes other than that for which it has been specifically sanctioned.

iii) The workshop should agree to pay charges at the revised tariffs that may be introduced by the Electricity Department shortly.
